About KAHE

Karpagam Academy of Higher Education (KAHE) established under Section 3 of UGC Act, 1956 is approved by Ministry of Human Resource Development, Government of India. Promoter Dr. R. Vasanthakumar is the president of Karpagam Charity Trust (KCT) and he is a Philanthropist, Industrialist, Entrepreneur and Culture Promoter. Contemporary infrastructure, Modern teaching methodologies, Career oriented training, excellent placements and the finest faculty have always been Karpagams' hallmark. Besides technical expertise, KAHE has made a mark since its inception by developing communication and soft skills, ensuring enlightening knowledge, extending holistic education and creating a strong value system. Today, with strength of 6500 students and 750 teaching & non-teaching staffs, KAHE is setting new benchmarks in the educational sphere.

About (ICRAMST'24)

The International Conference on Recent Advancements in Materials Science and Technology (ICRAMST'24) intended to provide a common platform for knowledge sharing among Researchers, Academicians, Practitioners and Industrialists in the areas related to Science, Engineering and Technology. It provides a forum for discussing the most recent innovations, trends, experiences and concerns. It will also stimulate efforts to integrate the latest approaches to strengthen and help in shaping its future by fostering communication among participants. The conference will also include keynote addresses by renowned Academicians, Scientists, and Industrialists from the Leading organizations. The conference will provide the authors and listeners with opportunities for National and International collaboration and networking among the Institutions from India and abroad for promoting research and developing technologies.

Call for Papers

Authors are invited to submit their original and unpublished work for the conference. All the abstracts of the accepted/presented papers will be published in the conference proceedings (with ISBN). After a double-blind review of the full-length paper the selected manuscripts will be published in "Materials Today Proceedings" (Indexed in Scopus, INSPEC). We are also planning to publish the selected papers in SCI indexed Journals (Elsevier, Springer) based on the quality and merit of the work.

The theme of the conference are as follows

Topics

- Energy and Environment materials
- Nanomaterials
- Polymers and Composites
- Powder Metallurgy
- Composite Materials
- Bio and soft matter
- Biorefining and Biofuels
- Drug Design
- Computational Materials
- Materials for Biomedical applications
- Optical, Electronic and Magnetic materials
- Super Conductors Spintronics
- Crystals & Bulk materials
- Thin films & Coatings
- Additive Manufacturing
- Materials Processing
- Sustainable Machining
- Building & Construction Materials
- Power & Storage Materials
- Catalysts, Sensors
- Solar energy, Batteries, Fuel Cells
- Hydrogen Energy
- Structure and Properties of all Engineering Materials

Registration

Registration FEE:

For Indian Participants - Rs. 1,200

For Foreigners - \$ 50

Rs. 600 has to be paid as participation fee for additional members.

Note:

- Article Publication Charge will be intimated separately through e-mail based on selection of the Journal/ Conference Proceedings if applicable.
- Online mode presentation will be considered on request (only for foreign participants)
